

REMARKS

Claims 9 has been amended. Claims 1-20 remain pending in the case.

1. Amendment to Claim 9

Claim 9 has been amended to specify that the means for attaching each container to each other container includes a protrusion at the top of each container and a recess at the bottom of each container.

2. Conclusion

In view of the foregoing the rejection of claim 9 under 35 U.S.C. 112 would appear to be overcome. It is submitted that the claims are in a condition for allowance. Favorable reconsideration of this application, as amended, is respectfully requested.

Respectfully submitted,
